* Effective 2/3/16, the 18 month Variable IRA interest rate is 0.700%, Annual Percentage Yield is 0.70%. Rate is equal to the most recent discount auction rate of the six-month Treasury Bill plus 0.25%. The minimum opening deposit to qualify for the APY is \$250.00. Consult your tax advisor for information on tax advantages. ** Withdrawals from 18-month Variable Rate IRAs before the maturity date may be subject to a bank early withdrawal penalty of six months' simple interest on the amount withdrawn at the interest rate being paid on your deposit at the time of withdrawal. Withdrawals from IRAs before age 59½ may be subject to other penalties and tax consequences as provided by applicable law. Fees could reduce earnings on the account. This deposit is not available for Roth IRA. Can be automatically renewed, FDIC insured to maximum allowed by law. Interest compounded daily, paid monthly on entire balance. Contact your local branch for details.
